- › Table of contents
- › Usage
- › Tips
- › Contribution
- › License
- › Badges
 - › List of badges

Usage

To use a badge:

- › Via Github
 - › Press `Ctrl + f` on your keyboard, to bring out the search modal.
 - › Enter the name of the badge you need.
 - › Copy the appropriate `! [Name](link)` element and paste it in your Markdown file (e.g. README.md)
- › You could also visit the live site at ileriayo.github.io/markdown-badges/

Tips

- 👉 How to use a different badge style
- 👉 Use `Ctrl + F` or `CMD + F` to search

Contribution

The project has a separate contribution file. Please adhere to the steps listed in the separate contributions file
